The Skin is the largest organ of the body...therefore our entire external body needs proper care, proper cleansing & essential moisture which are key to protecting the exterior acid mantle of the body...

Good Health also relies on Healthy Body Care.

Here are the Skin Care ingredients to look for in body products if you have **Dry Skin**...Hyaluronic Acid, Snail Secretion Filtrate, Aloe Vera, Glycerin, Goat Milk, Honey, Baboab Seed Oil, Kakadu Plum Oil, Coconut Oil, Shea Butter, Jojoba Oil, Coconut Oil, and Fatty Alcohols like cetyl, stearyl, or cetearyl alcohols that are moisturizing emollients with a high molecular weight.

Gentle cleansing without any harsh alkaline soaps or synthetic detergent cleansers *are a must*. Formulations with essential oils & nourishing extracts to moisturize & thoroughly cleanse with Plant Based foaming agents *are a must*...

With the Soothing, Healing Beneficial Herbs & Plant extracts.

Here are some of our *most popular* **Moisturizers & Body Treatments**: VITAMIN C SPF 30 DAY MOISTURE, MAXIMUM MOISTURE, WHITE CHOCOLATE BODY BUTTER, ULTRA-FIRM, LÉCREME FANTASTIQUE, INJUV, ABSOLUTELY MARVELOUS, RETINOL BODY RENEU, THERAPEUTIC BATH & BODY WASH, COASTAL BREEZE
